

Dual Admission and Matriculation Checklist

Dual Admission Process

- Meet with Community College advisor to determine eligibility
- Meet with UMSON advisor to go over application process, requirements, and expectations
- Complete online application for matriculation term (term after you complete associate degree) and submit all application requirements
- Meet application deadlines if interested in taking concurrent courses
Spring- December 1 / Summer & Fall - May 1
- Follow all instructions and meet all deadlines to request to take concurrent courses

Matriculation Process

- Provide official updated transcripts showing you have no more than 4 total courses in progress
- After formal admission, complete the two-step confirmation process - submission of confirmation form and \$400 non-refundable seat deposit
- Complete steps on the Accepted Students Page as instructed in your formal letter of admission
- Require a deferral? You must contact your UMSON advisor to make this request
