## How to Find When Your Final Exam Will Be Held

1. At the top of the chart below, find the day(s) that your class is held. (When Your Class Is Held)
2. At the left of the chart, find the start time of your class. (When Your Class Starts)
3. Your exam day and time is at the intersection of the day(s) of your class and the start time of your class
4. Check the Exceptions section below the chart to see if any of the exceptions apply to you
*All sections that include both Tuesday and Thursday should follow the Tuesday and Thursday exam schedule (MTWRF, MTRF).
For Example: If your class meets only on Monday's beginning at 4:30pm, then your final exam will be held on December 12, 2022 from 5-7pm
