The graphic design degree prepares the student for employment in the field of graphic communication, or for possible transfer to a four-year institution. Emphasis is placed on the creative application of design principles and problem solving in graphic design and communication, using both traditional and industry standard digital tools.

See an [advisor](#) to submit an [Application for Graduation](#) the semester BEFORE you intend to graduate.

**This UNOFFICIAL document is for planning purposes ONLY and completion does not guarantee graduation.**

This degree is a career program and may not readily transfer to four year colleges/universities (except in special cases.) Visit [transfer planning](#) for more information.
