*Transfer Students, take NOTE! Not all colleges accept AP test scores in the same way.* Check with the transfer institution(s) of interest to determine how your AP scores will be accepted as college credit. LLE = Lower Level Elective

**Note: UMCP accepts only two AP tests with scores of 3 – English Lang Comp and English Literature – all other scores must be 4 or 5**

**AP Credit transfer policy to Maryland State Public institutions:** If a student satisfies a General Education Requirement w/ an AP score of 3 (example, a score of 3 in Environmental Science @ MC fills a 4-credit Lab Science), then the MD transfer institution should consider a Lab Sci. Gen Ed 4 credit requirement to be filled upon transfer, but the student will have to 'make up' those 4 credits w/ transferable elective credits if a score of 3 is not accepted. Students may need to work w/ their MD public transfer institutions to ensure that this policy is applied after transfer.
