How to Delete Caption

Instructions on how to delete unwanted caption file for your video.

To delete an unwanted caption file for your video, click on the **three dots (Options)** on the righthand corner.

Title & description	Subtitles		
Published	Published	FRIT	
y Creator	by Creator	EDIT	
	Published		
	Automatic	DUPLICATE AND EDI	

You should see three options that pop up. Select **Delete** to remove the caption file.

ion	Subtitles				
	Published by Creator	EDIT			
	1 +	Unpublish Download	÷) EDIT	•••
	Î	Delete			

A confirmation message should pop up asking you to confirm the deletion of the caption file. Select **Delete Captions**.

The Video Subtitles screen should refresh. The caption file you deleted should now disappear.

	Video subtitles						
	Language	Modified on	Title & description	Subtitles			
	English (video language)	Oct 15, 2020	Published by Creator	Published EDIT			
l	ADD LANGUAGE						

Please note that once you delete, the caption file will be gone forever. Make sure you already made your edits and publish a new file or have copy of your captions before you remove any unwanted captions.
