

MONTGOMERY COLLEGE

Basic Special Police Officer Academy

Workforce Development and Continuing Education | Summer 2023

Montgomery College WDCE Safety Institute is proud to announce the **Basic Special Police Officer (SPO) Academy**.

This **hybrid** academy will begin **in-person** with a combination of in-person and zoom instruction for skills training and qualification. The in-person training will be conducted **at the Montgomery College Rockville Campus**, to serve the Baltimore-Washington market.

Basic Special Police Officer (SPO) Academy

Course: **PST004** **88 Hours**

\$400 + 395 = \$795; NMR add \$250

Hybrid (Online & Face to Face)

CRN# 40893 11 Sessions

8 a.m. -4:30 p.m.

May: Exact Dates TBA

Effective October 1, 2020, every applicant for a Maryland Special Police Officer commission must receive 80 hours of training based on 61 state-mandated Objectives (Maryland HB1111). MC is utilizing the expertise of law enforcement and public safety instructors to prepare the SPO candidate for required job-related skills. **Topics** include:

- **Constitutional and Criminal Law**
- **De-escalation techniques**
- **CPR/AED/first aid**
- **Rules of arrest and criminal process**
- **Active shooter, incident command**
- **Note taking and report writing procedures**

Upon **successful completion**, and **100% attendance**, the SPO candidate will receive a Certificate of Completion that is required when applying for a commission.

NMR=Non Maryland Resident Fee
