

Pregnancy

Title IX prohibits discrimination on the basis of sex, including pregnancy and related conditions. The College must give all students who might be, are, or have been pregnant the same access to school programs and educational opportunities as other students. For guidance and obligations related to academic adjustments, accommodations, and support, please see the College's [Title IX webpage](#).

In an effort to proactively provide continuing support to our faculty and students and ensure compliance, a dean, faculty member, pregnant or parenting student who needs information or assistance with arranging academic or other related adjustments and support should contact the Title IX Coordinator, Kristen Roe at 240-567-4279, or Kristen.Roe@montgomerycollege.edu.
